Subject: Re: Trump v. Trump Your Competition

Hi, Natasha. I hope you are doing well and please give my regards to Lena.

I am writing once more to remind you that I am awaiting word from you by close of business tomorrow, Dec 4th, 2015, regarding the following inquiry:

Will Mr. Donald J. Trump be honoring the subpoena issued by the United States District Court for the Southern District of New York in re Proceeding 91217618 whereby he has been commanded to appear on January 05, 2016 at ten a.m.?

You have previously mentioned you were considering filing a Motion to Quash.

However, I have not received service of any such motion up to now. Mr. Trump was duly served on November 10th, 2015, and you have confirmed service of process. There are but 31 days or so remaining until Mr. Trump's commanded appearance date. My client will, of course, oppose any Motion to Quash that is untimely in nature on the basis of it being untimely, along with whatever additional substantive facts, points and authorities that may be presented by Attorney Norris Wolff.

Please confirm that your client will be present as commanded via this Subpoena to Testify at a Deposition in a Civil Action.

Should you fail to confirm by December 4th that your client will be honoring this subpoena as commanded by the U.S. District Court, I shall conclude that he will not be honoring the subpoena and has repudiated the command to appear.

Please also be further informed and reminded that I will work with you to schedule his appearance on another date within the defense trial period as well as scheduling the testimony deposition in any other state of the continental United States if Mr. Trump confirms he will honor the subpoena by close of business tomorrow.

With regards,

Rod
